2022 Westlakes Zone Cross Country Qualification Event

Monday May 9, 2022

Dear Parents/ Carers,

Due to weather forecasts and soggy grounds, we are unable to schedule a whole school 2022 Cross Country Carnival. To enable our Cross Country to proceed, we will endeavour to have a qualification event with smaller numbers and on the first suitable day following enough dry weather.

Students ages 8+ (in 2022) are invited to trial for the Westlakes Zone Cross Country Carnival. Participation is not compulsory and **ONLY** students that nominate for the event will compete.

- 8/9 and 10 years will complete the 2000m course.
- 11 and 12/13 years will complete the 3000m course.

This event is weather dependent and will occur on the earliest suitable day from May 11. Successful students will represent Morisset Public School at the Zone Cross Country on Friday May 20 at Avondale University. **Parents will need to transport their child to and from the Zone Cross Country.**

There is no cost for the event.
There will be no spectators at this event.

Regards
Miss Gledhill

Medical Information

Parents, please note that there is no personal insurance cover provided by the NSW Dept. of Education and Communities for students in relation to school sporting activities, physical education lessons or any other school activity. Parents and Caregivers are advised to assess the level and extent of their child's involvement in the sport program offered by the school when deciding whether additional insurance cover, above that provided by Medicare, is required. The NSW Supplementary Sporting Injuries Benefits Scheme, funded by the NSW Government covers any injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body.
