Principal's Report

Hello Everyone

On Monday I represented Morisset PS at the official opening of the new gymnasium at Morisset High School. It is an impressive building and provides a fabulous new amenity for the school and the community. The young people who are the school leaders for 2011 conducted themselves very confidently and presented a very positive image of the students from Morisset HS. The catering was provided by the students from food technology and the standard was extremely high and professionally presented.

Our students are busily preparing for the school musical and we are now heading to the dress rehearsal which will be held on Friday afternoon. The final rehearsals can take some time, so we are changing the time of the assembly to the morning for this week only. If you are not

ASSEMBLY – CHANGE OF TIME

Please note that the assembly this week will be at 9:00am. This change of time is due to the whole school dress rehearsal for the musical which is being held in the afternoon.

sure about your child's costume requirements please talk to the teacher well before Friday morning.

As the weather is becoming warmer (well, sometimes anyway!) it is time to remind everyone about water safety. The Lake Macquarie City Council has provided guidelines about pool safety and these were sent home with all students last week. Please make sure you supervise your children at all times in and around water. It is important to remain vigilant as young children can get themselves into trouble very quickly and there can be very tragic results.

Remember that there will be a farewell picnic for Mr Hodge in the school grounds on Tuesday 14th December from 5:00pm. Current and ex-students and their families are invited to bring a picnic tea, rug and or chairs and spend some time catching up with Ian before he retires at

the end of the year. I am sure there will be many tall tales told on the evening! The P&C are hosting this event and will provide barbeques for those who would like to cook their own meat. While you are welcome to bring any type of food you like, this is strictly an alcohol free event. Some soft drinks will be available for sale.

I have been very pleased with the behaviour of our students in the lead up to our end of year activities. Sometimes the students can become over excited and this can affect their behaviour. However, they are really putting in a 100% effort with their work and their attitude at the moment. Perhaps the fact that their teachers are currently writing their school reports might provide some incentive! I prefer to think it is because they are all using their keys and positive habits of the mind.

PSSA STATE CRICKET CARNIVAL

Friday 26th November. 2010

I thought I would write a short report on my doings this week. Some of you thought I was already at the Athletics National Carnival at Bendigo, but I have been playing Cricket for the Hunter Regional PSSA Girls Team on the Central Coast.

We started the competition really well, winning our first two games on Monday, I got a some runs at bat, caught out two players and bowled out one batsperson. Brad our coach thought we did really well since this was the first time we had played together as a team.

Tuesday we were a bit slow starting and lost the game and we didn't have a game in the afternoon, a couple of us went to the beach for a little while, it was great.

Wednesday we lost again against a really good team and the game in the afternoon was a friendly and didn't count. We had to wait until the next day to find out if we could make the finals.

We played on Thursday at the Entrance, against another strong Sydney team who had a couple of players we just couldn't get out for ages and they scored heaps of runs and we couldn't quite catch up. Then we had to rush off to another oval at Matcham where we were playing off for 9th/10th place. It was very hot!

My highlight was when I bowled the last over for our side and the last five balls, I got a wicket, then I hit the stumps, the next ball was fended off and then I hit the stumps for the next two batters – 4 out for 5 balls.

I got to know heaps of girls and had a great time. I also got to see Mr. Hodge a few times during the week!

If I get time, I'll email a report from Nationals – I fly out on Sunday and compete Monday, Tuesday and Wednesday.
