## Term 4 Week 9 2012

Dear Parents/Caregivers,

Thank you all for your support and thoughts during my leave. I would especially like to thank the staff led by Mark Kyrwood who have continued to provide the excellent standard of education and support for Morisset students. The united team approach was reflected in the recent production of "The Awesome 80's", which people have not stopped talking about. The success of such a performance is contributed to all members of Morisset Primary School- office staff, cleaners, grounds men, teachers, SLSO's, students, parents, families, P&C and community to make it the success that it was. I have even heard that certain staff members may be able to give up their day job to go into performing live on stage. We may even have our next X factor contestant among us!

I am continually impressed by the work and support that has gone into the squirrel glider project. Students & Merrilee McBride have been letter box dropping information pamphlets designed by Guy Jarasius in 3/4W. All students have participated in painting a mural designed by Mrs Mia Ostergaard and the You Can Do It keys along the pathway look fantastic and are a great reminder for our students.

The time and effort that school & the community have put into these projects are greatly valued.

We are now rapidly approaching the end of the term and end of the 2012 school year. It is a time of many mixed emotions for people. We have students leaving the security of their grades, class teachers and class rooms, students transitioning to high school, change of staff and schools, changes in school routines and most of all tiredness. All of these contribute to some unsettledness amongst students.

As a school we understand this and make allowances but I must emphasise that for the safety and wellbeing of all students and staff the school rules still apply. The Gold Licence system was introduced in consultation and thorough explanation to all involved ie students, staff, and parents.

The following events that are coming up are all gold licence events. That means your child must have 7 points to participate in these activities. By abiding by the school rule of respect and responsibility and using the You Can Do it Keys of organisation, confidence, resilience, persistence and getting along, this will support positive consequences for the end of year for all students. Please discuss this with your child.

**Friday 7<sup>th</sup> - Fun day      Wednesday 12<sup>th</sup> Year 6 farewell      Wednesday 19<sup>th</sup> Party Day**

I look forward to seeing you at the Presentation day on Monday 10<sup>th</sup> December at 9.30am at Morisset High School Hall where together we will celebrate the success of all our students. If you would like to pick up your child from school after the presentation, **you must** sign them out at the primary school office as per usual. All class reports will go home on Friday 7<sup>th</sup> December.

### *Thought for the week*

"Achievement is not only measured by medals and certificates. Achievement is measured by the difference between what you're capable of and what you actually achieve. What some see as successful may be seen as small to some but enormous to others."

Make the most of all the awesome moments

Kathy Duncan  
Principal

Students, Teachers and the Community United in Quality Learning

## P&C News

Thankyou to everyone who has donated to our Christmas raffle, we have three major prizes.
