Term 4 Week 9

Dear Parents and Friends of Morisset PS,

School Vision

At Morisset Public School we believe that all students have the potential to achieve success through quality education, in a fun, safe and inclusive learning environment supported by strong partnerships between students, staff, parents and community.

We appreciate Australia's social, cultural, linguistic and religious diversity. Students develop confidence in managing personal wellbeing and values such as resilience and respect to become active and informed citizens, responsible for their own actions.

Yesterday, at our matinee performance we saw the result of a lot of hard work by students, staff and parents. The cast of Robin and the Sherwood Hoodies amazed the audience with their professionalism under the bright stage lights. With 2 more performances to go tonight and Thursday night our pyjama, techno day on Friday will be well welcomed.

I would like to thank the 2015 P&C for their contributions and tireless support for our students, staff and parents. Their contributions to our school have had great impact on supporting our students. The ongoing organisation of fundraising and financial support has allowed our school to purchase resources and given students' positive opportunities.

I would like to congratulate our newly elected 2016 P&C: President - Rebecca Harridge, Vice President - Avril McAndrews, Secretary - Anne Beirne, Treasurer - Tina Morgan and Assistant Treasurer - Merryn Casey. I look forward to continuing a close partnership. The first P&C meeting for 2016 will be on Friday 5th February at 9.15am.

Part of our school vision is to encourage a strong partnership between the school and parents. Thank you to the parents who were able to make the P&C meeting last Friday to hear about our exciting direction for next year. The feedback I received from the P&C was valued and will be taken into account when making decisions about students learning.

On Wednesday 9th December there will be a launch and information session about MGoals. It would be great to see our school community come and learn with us. More information included in this newsletter.

Thank you to the parents who have come and in paid for their child's Spelling Mastery text book and 2015 voluntary contributions. Parents making voluntary contributions have been significantly lower this year and we have an outstanding balance of \$1654 for Spelling Mastery books.

Parents will be pleased to know that our office has EFTpos. Hopefully that will make it easier for parents to finalise any financial commitments owing.

I am reading school reports at present and am really proud of the student's growth and efforts to achieve their personal goals. School reports will be given out in the last week of term.

We would greatly appreciate your patience in the main office as will be having major renovations from the 10th December onwards. This is due to setting up for the new change management systems that will be put in place next year. This will not impact on classrooms only administration block.

Students, Teachers and the Community United in Quality Learning

Our final and brief newsletter will be given to students on the 16th December, last day for students.
Always remember to make the most of the awesome moment.
