TERM 3 Week 3

July 28, 2021

COVID restrictions are still in place for Morisset Public School.

All students are expected to be at school unless they have even the mildest of
COVID symptoms.

No non-essential visitors are permitted in schools.

Current entry and exit procedures for students will continue with minimal adult
gathering.

Parents and carers should;

- remain outside of school grounds
- follow mask-wearing requirements and if needing to come on-site must sign-in
using the Service NSW QR code.

Face masks are mandatory on public transport for adults and students aged 13
years and over. If individual students wish to wear a face mask at school, it is
within their right to do so.

School assemblies can proceed; however, parents and visitors are currently
unable to attend.

The Department of Education and NSW Government provide regular updates -
for further information please click [here](#).

We will continue to communicate relevant changes to Morisset PS procedures
via the School Stream app and website.

Kiss and Ride

Kiss and Ride Zones are designed for your convenience and for your child's
safety. Designed for quick entry and exit, these zones minimise congestion and
risk when used properly by all parents and carers. These zones operate under
the same conditions as no parking zones, which means you may stop to drop
off or pick up children for a maximum of 2 minutes. You're required to remain in,
or within 3 metres of, your vehicle. Days and hours of operation may apply to
some zones. www.service.nsw.gov.au/transaction/kiss-and-ride-zones

Sunsmart Snippet

It's still the same sun

Cancer Council's Sid the Seagull 'Slip, Slop, Slap' message was first launched in the 1980s.

Some things have changed since then but our sun is still the same. By using sun protection you are reducing your risk of skin cancer – including potentially deadly melanoma.

Using a combination of the five sun protection measures whenever UV levels reach 3 or higher, and getting to know your skin to check for any changes, are key.

CANTEEN VOLUNTEER TIMES:

WEDNESDAYS – Canteen is open only for **morning and lunch**, no recess.

At least one volunteer should be at school at **8am** to get the ovens going and open up; but all volunteers should be there by **8:30am** preferably, to take orders, serve breakfasts and start lunch preparation, which will continue until the lunch baskets are all completed by 10:50am. Lunch bell is at **11am** and counter service will start shortly after that.

Lunch finishes at **11:50am**; service should stop 5 minutes prior to that (with no large ice creams being sold for the last 10 minutes), and the shutters brought down – then there will be some preparation of frozen stock, such as yoghurt bites and mini juicy cups, followed by clean up, including the floor. Money also needs to be counted and bagged. Mostly, everything should be done by 12:30pm.

TL:DR – maximum volunteer time required: 8am – 12:30pm

FRIDAY morning and lunch is much the same as on Wednesday, except that the clean-up is much less and the money doesn't get counted at this stage, so people should be able to get away by 12:20pm.

TL:DR – maximum volunteer time required: 8am – 12:20pm

FRIDAY RECESS – the recess bell goes at **1:50pm**, and ends at 2:15pm – so someone needs to come in at **1:30pm** to open up and start getting everything ready to go. Again, service should stop 5 minutes prior to the bell and the shutters brought down. Clean up, frozen stock preparation and money counting will take place at this point and should all be done by 2:45pm, but by then it's nearly end of school anyway.

TL:DR – maximum volunteer time required: 1:30pm – 2:45pm
