Parent Information Evening October 27—5.00 pm

TERM 4 - Week 1 October 12, 2022

Welcome back to term 4, I hope everyone had a safe, happy and healthy holiday.

Staffing

Miss Shaw and Miss Nolan have finished their teaching contracts with us. Mr Dibley completed his internship on 3GL and will now be entering the casual teaching work force, we wish him all the best.

We are excited to have several of our permanent staff returning on various days.

Mrs Boyd will be teaching Kindergarten 4 days a week and Mrs Skinner will teach Kindergarten on Friday.

Miss Standing will be teaching 4/5K from Wednesday to Friday and Mr Muller will continue to teach 4/5K on Monday and Tuesday and RFF on the other days.

Mrs Bartlett will be teaching 3G on Tuesday and Friday and Miss Gledhill will continue to teach 3G Monday, Wednesday and Thursday and intervention on the other days.

Mrs Skinner, Mr Caddies and Mrs Gould will be working in the COVID ILSP and intervention roles.

The hall remains closed due to collapsed sub flooring. Asset Management have appointed a Project Manager and have advised that the hall will be closed for the remainder of the year.

Attached is a calendar for dates already locked in for term 4 (may be a good idea to put this on your fridge) – this calendar will be updated as events are confirmed and sent home to replace the one on your fridge.

Last Day of Term 4 for Students is Friday December 16 2022

As we near the end of the year, I want to thank you for your ongoing support and notify you of a date change for the last day of Term 4 classes.

Students will now finish school on Friday 16 December 2022.

This is due to an additional School Development Day announced for staff across NSW public schools. School Development Days allow our staff to participate in professional learning that was put on hold due to COVID-19 staffing pressures and plan ahead for 2023 to ensure we meet the needs of our students.

With this change, I ask that you arrange alternative care for your child on Monday 19 December. While there will be no classes on Monday 19 December, if you cannot arrange alternative care for your child, we will provide minimal supervision at school or contact Morisset OOSH and Vacation Care at www.careactivities.org.au

If you have any questions or concerns, please contact the school on 49731435 We will continue to communicate relevant information via the School Stream app and website.

BUS TRAVELLERS—IMPORTANT INFORMATION

Please read the information forwarded by Transport for NSW
regarding applications for 2023 travel which are now open.

School Travel

Term 4 2022

2023 school travel applications are now open

Applications for student travel in 2023 open from **Monday 10 October 2022**.

Students who need a School Opal card or travel pass for 2023 can [apply](#) now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications, and entitlements remain valid for the start of the 2023 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), we will send an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2023.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Travel from Term 1 2023

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for 2023 School Student Transport Scheme (SSTS) travel open at the start of Term 4 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a busy period for local transport operators, and students travelling without a valid ticket make service planning and operations difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Students using School Opal cards are also reminded that they must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).
