TERM 4 - Week 9 December 7, 2022

Wow, what a fortnight we have had and what a fortnight we have planned. With Swim School and High school orientation as well as the Deadly Awards our staff and students have been very busy.

Last week I was invited to attend the WSLA Deadly Awards and ceremony at Morisset High School. What an honour and privilege it was to not only present the awards but to watch our amazing students participate in the Aboriginal dance group. The evening was such a success. Congratulations to all our award recipients and to the school captains in hosting our part of the ceremony.

Swim School has been a great success this year. All students have had a great time at the pool learning to swim. Their effort and behaviour walking to and from the pool has also been exceptional. Great job. ***Please Note*** This Friday 9th students are asked to bring a set of clothes to wear OVER their swimmers so they can practice survival and safe swimming if they ever fall into water.

High School Orientation. Last week our wonderful Year 6 students attended the High School to participate in orientation. From all reports the students had a great time and got to meet lots of students from other schools. Upon their return they were buzzing and excited about the upcoming transition.

As we all get ready for the holidays, I would like to than all the parents for your support this year. This is the first year since 2019 that we have had no major disruptions due to COVID. Despite the increase in local sickness it has still bee a very successful year. I would also like to thank the staff for their dedication and support. I want to wish all those staff members who are moving to other schools the best of luck in 2023, I hope you look back at your time at Morisset with happiness. Finally I want to thank the students for being so wonderful. You have all been incredible this year. Have a great Christmas and safe and happy New Year.
