COVID-19: IDENTIFYING THE SYMPTOMS

Adapted from material produced by WHO, Centers for Disease Control and Prevention and the American Academy of Allergy, Asthma and Immunology. *Respiratory allergies include allergic rhinitis (hay fever), and allergic asthma. Other common symptoms of hay fever include itchy nose and itchy, watery eyes.

It is very difficult to distinguish between the symptoms of COVID-19, influenza and a cold. If you have any infectious or respiratory symptoms (such as a sore throat, headache, fever, shortness of breath, muscle aches, cough or runny nose) don't go to work. You need to self-isolate and to be assessed by a medical professional. You may need testing for COVID-19. You must not return to work until cleared by a medical professional. You need to ensure that the people you care for are protected and safe. People who have respiratory allergy symptoms such as allergic rhinitis (hay fever) and allergic asthma should stay home and get tested for COVID-19 at the onset of their symptoms and if they experience symptoms that are unexpected, seem different or worse than usual, or do not respond to their usual medication.

CANTEEN VOLUNTEER TIMES:

WEDNESDAYS – Canteen is open only for **morning and lunch**, no recess.

At least one volunteer should be at school at **8am** to get the ovens going and open up; but all volunteers should be there by **8:30am** preferably, to take orders, serve breakfasts and start lunch preparation, which will continue until the lunch baskets are all completed by 10:50am. Lunch bell is at **11am** and counter service will start shortly after that.

Lunch finishes at **11:50am**; service should stop 5 minutes prior to that (with no large ice creams being sold for the last 10 minutes), and the shutters brought down – then there will be some preparation of frozen stock, such as yoghurt bites and mini juicy cups, followed by clean up, including the floor. Money also needs to be counted and bagged. Mostly, everything should be done by 12:30pm.

TL:DR – maximum volunteer time required: 8am – 12:30pm

FRIDAY morning and lunch is much the same as on Wednesday, except that the clean-up is much less and the money doesn't get counted at this stage, so people should be able to get away by 12:20pm.

TL:DR – maximum volunteer time required: 8am – 12:20pm

FRIDAY RECESS – the recess bell goes at **1:50pm**, and ends at 2:15pm – so someone needs to come in at **1:30pm** to open up and start getting everything ready to go. Again, service should stop 5 minutes prior to the bell and the shutters brought down. Clean up, frozen stock preparation and money counting will take place at this point and should all be done by 2:45pm, but by then it's nearly end of school anyway.

TL:DR – maximum volunteer time required: 1:30pm – 2:45pm

LOST PROPERTY

As the weather is getting cooler and students are wearing jumpers and jackets to school, they tend to shed their clothing if they are playing and they get warm. This usually results in the item being left behind on the oval or near where they were playing.

It would be very helpful if you could check all your child's items to see if they have their name clearly marked on them, so they can be returned to them on the same day.

Things that turn up in lost property include: "Hats", "Jumpers", "Lunchboxes", "Drink Bottles", "Pencil Cases" etc. Please label all of these things clearly.

We have more chance of reuniting the students with their belongings if some form of identification can be provided when items are found.

Thank you—School Office
