# BACK TO SCHOOL... IS YOUR CHILD ASTHMA READY?

Every year there is a rise in asthma flare-ups when children return to school after the summer holidays. This results in an increase in Emergency Department visits, hospitalisations and days off school.

## MAKE SURE YOUR CHILD IS ASTHMA READY BY FOLLOWING THESE STEPS:

### 1 BOOK AN ASTHMA REVIEW (LONG APPOINTMENT)

This is a special check-up for your child's asthma, recent asthma control, symptoms, summer and back to school triggers, and medicine use. Don't forget to include a check on their device technique.

### 2 UPDATE YOUR CHILD'S ASTHMA ACTION PLAN

During the Asthma Review ask the doctor for a signed written Asthma Action Plan. Schools and Outside School Hours Care will require an up-to-date plan for each student with asthma at the start of the new school year. Evidence tells us that using a written Asthma Action Plan to identify and manage a flare-up sooner can help to reduce hospitalisations, improve lung function and reduce the number of days off school.

### 3 RELIEVER MEDICATION AND SPACER

Check with the school about their medication policy and work with the staff to find the best way to manage your child's asthma medication, including before physical activity (where applicable).

- Make sure your reliever medication is in date with enough medication remaining. If not, purchase a new one
- Purchase a new spacer (and mask if age appropriate) for use at school
- Ensure the pharmacist labels medication with your child's name and you label the spacer with your child's name

### 4 TALK TO SCHOOL STAFF

Make time to talk with the class teacher and the school nurse (where applicable) about your child's asthma, their written Asthma Action Plan and their usual triggers, symptoms and medication.

Also talk to your child's sport coaches and supervisors of other school activities. Don't forget to keep staff up-to-date with any change to your child's asthma management.

Any changes to asthma management throughout the school year, requires an updated written Asthma Action Plan to be completed by your doctor and provided to the school.

If a child -

- has symptoms during the day more than 2 days per week
- has to stop activities such as playing or exercise because they get asthma symptoms
- wakes up with asthma during the night or early morning
- needs reliever more than 2 days per week (not including prior to exercise)

then take your child to their doctor as this indicates signs of worsening asthma.

## ATTENTION: Year 6 Outgoing Parents

It would be appreciated if, once you have sorted your student's school clothes for the year, you may care to donate any school clothing that we could possibly use for a change of clothes to the School Office.

We are always in need of all sizes, sometimes they are given to new parents in the New Year to help them out when enrolling at the start of the year, and some we keep for accidents that happen, especially in the wet weather periods.

All donations are gratefully received.

Thank You

## ASTHMA ALERT

### **Summer holidays are an important time for kids with asthma.**

During all the festivities, please don't forget to keep up your child's asthma management and medicine as prescribed. Good asthma management over the holidays means less time off school when kids return in the new year, and less time off work for you.

To make sure your child stays as healthy as possible over the break and into 2024, you can take the following steps:

- Check your child's medication to make sure they're still in date.
- Keep using your child's **preventer medicine** as directed over the summer holidays, even if they're feeling well.
- If you're leaving the house or going on holiday, make sure you pack your child's asthma medicine(s) and a spacer.
- Book an Asthma Review with your doctor to get an updated written Asthma Action Plan during the holidays - you'll need this for Term 1 2024. Book in early as doctors can have limited appointments over the Christmas period.
- Use Asthma Australia's School's Checklist for parents and carers: [https://asthma.org.au/wp-content/uploads/2020/11/](https://asthma.org.au/wp-content/uploads/2020/11/AA_BTS2022_Asthma-Checklist_digital.pdf)

[AA BTS2022 Asthma-Checklist\\_digital.pdf](https://asthma.org.au/wp-content/uploads/2020/11/AA_BTS2022_Asthma-Checklist_digital.pdf)

**On behalf of all the staff at Morisset Public School—we hope everyone has a Healthy, Happy and safe break over the Christmas period. All the best for the New Year!**

**See you all in 2024**

## 'For my kids': Aunty Selena honoured for work

### Alanna Tomazin

FOR Aunty Selena Archibald it's never been about the accolades.

But on Tuesday night she was blown away by the outpouring of love from the Morisset High School community when she was honoured for her long commitment to Aboriginal education.

Surprised by family, friends and past students in attendance at the Western Shores Learning Alliance Deadly awards, she was presented with a Lifetime Patron Award by the school's Itji-Marru Aboriginal Edu-

cation Consultative Group (AECG). "I don't enjoy the accolades, I don't do my job for that reason - I do it for my kids," she said.

For almost 25 years, Aunty Selena has supported the learning and achievement of Aboriginal and Torres Strait Islander students in her role as the Aboriginal education officer at Morisset High.

"I grew up in a place where education wasn't always offered to me so I always vowed that I wanted to help Aboriginal and Torres Strait Islander kids to get an education and help them build their own identity so they're proud of who they

are," she said.

She has helped 700 of her 'kids' to dream big, step up as leaders, connect to their identity and culture,

and work hard to achieve their goals. "Some of my students have gone on to be police officers, teachers and working in the medical

field," she said. "They're breaking down barriers and also putting themselves out there being loud and proud of who they are and where they come from."

Aunty Selena's former student, school captain and dux Dana Patterson is now making a difference as a community engagement officer at the NSW Coalition of Aboriginal Peak Organisations. "I know that I would not be where I am today without Aunty Selena. As a learner and a young person, both Itji Marru and Aunty Selena became a source of strength and empowerment for me," she said.

### LUNA PARK EXCURSION

On Friday Nov 24, our Stage 3 Students (Years 5 & 5) travelled to Sydney for an end of year excursion to Luna Park. They left right on time and arrived at their eagerly awaited destination of Luna Park.

All the students were on their best behaviour as they didn't want to miss out on a moments fun at the park.

The return journey was a bit longer due to Friday afternoon traffic, but all returned, tired but safe from the big day out.

Hopefully the Year 6 students will remember this day fondly as their journey through High School commences in 2024.
