## PBL TOKENS

## Gardening

We have a loyal group of dedicated workers in our garden groups, and quite a lot of them give up all their lunch to work hard, even on these extra-warm days as summer approaches.

Our quirky scarecrow in the bush tucker garden is finished now.

What do you think? It may keep that pesky wallaby away!

We are also watering, weeding and mulching every week, but we have a new project in the bush tucker garden. We have been recycling old pavers to extend our walkways down there. The children love doing this, and are rightly proud of their efforts so far.

Margaret Reynolds - Environment teacher

Our school is participating in Hunter New England Health's *Good for Kids. Good for Life* program which has been working with schools in our region for more than a decade to implement healthy eating and physical activity programs.

As part of the program *Good for Kids* are returning in term 4, 2018, to measure the activity levels of students. Students who participated in the initial data collection will again be wearing an accelerometer each day while at school for one school week. An accelerometer is worn on the wrist and looks like a watch but captures activity levels.

This data is collected to assist in providing support in schools with the scheduling of physical activity. This includes the provision of professional development for our staff as well as the provision of resources and on-going support from the *Good for Kids* team.

## P&C News

Halfway through this term already, time is flying by!

The school Food Drive for South Lakes Marketplace Christmas Hampers has got off to a great start – around 100 items in already – but we need to get to **500** by next Wednesday so that you can have Silly Sock day on Friday, so keep the donations coming.

We are running a **SCHOOL DISCO** on Wednesday 28<sup>th</sup> November in the evening.

The ticket price is **\$5** – this covers entry to the disco, a juice popper, a bag of chips OR a zooper dooper, and a glow bracelet. There will be a lucky door prize for each session.

**Kindy to Year 2** session will run from **5:30pm til 6:15pm**  
**Year 3 to year 6** session will run from **6:30pm til 7:30pm**

Please be prompt in collecting your children at the end of their sessions.

Tickets will be available in the office from next week, or you can buy one on the night.

*No entry without a ticket. Students from one session may not stay for the other session for safety reasons. Siblings, who are not also students at the school, are not allowed to attend.*

**The Christmas Raffle** will be drawn on Friday December 7<sup>th</sup>. We have more prizes coming in but would still love donations from anyone who wishes to donate something! If you have a donation towards the raffle, please contact any of the P&C, or give it to Mrs Miller in the office. Thank you to those who have already donated.

Our Hunter Valley wine tour experience went exceptionally well – a great day out for all concerned, and we raised around \$400 for the P&C – well done everyone!

The next **WSLA P&C Meeting** will be held next **Wednesday, 21<sup>st</sup> November, 6pm for 6:15pm** start at Morisset High School. Please see over for more details about the WSLA P&C group.

Our own next P&C meeting will be on **Wednesday 28<sup>th</sup> November**, after our **AGM at 9:15am** in the Multipurpose Room. The AGM is for all financial members to vote on our next Executive team for 2019. All are welcome to attend both the AGM and the general P&C meeting afterwards. Morning tea is provided and Mrs Warham will be attending.

Remember to look for Morisset PS P&C on Facebook  and  our page to keep up to date with events and fundraisers at the school. Links to fundraiser forms will be found there as well.

*Ann Beirne, President of Morisset PS P&C*

## WSLA P&C meetings

The WSLA, Western Shores Learning Alliance, is made up of the 6 feeder primary schools to Morisset High School, and Morisset High School itself. The 6 feeder schools are Morisset PS, Bonnells Bay PS, Cooranbong PS, Dora Creek PS, Wangi Wangi PS and Wyee PS.

The WSLA P&C meetings take place once a term and allow for the P&Cs of all the schools to come together to share ideas for fundraising, to give feedback on fundraisers, to put forward ideas for joint ventures between the schools and to learn more about what is going on in each school, in particular Morisset HS. The meetings are usually around 1.5 hours long and can be very informative.

Anyone from any of the schools or the local community is welcome to attend these meetings, whether to offer ideas and services, or to find out more about the P&Cs – we're happy to see you.

There is also a WSLA P&C Facebook page – look for this logo

and  our page to keep up to date with events and fundraisers around the area.

If anyone would like to volunteer for canteen duties, please use the form below (also available in the school office or from the website). Although we've had some new volunteers, whom we thank for coming forward, we could always do with more!
